

2026 Secor SCHOLARSHIP

The **Secor Scholarship Fund**, established in 2007, is made possible by a generous bequest by long-time NYSNA member **Jane Secor, PhD, RN**. Dr. Secor stipulated that the endowment be used for furthering nursing education.

Two Secor Scholarships are awarded annually:

- **\$5,000** to a NYSNA member seeking a baccalaureate (or higher) degree in nursing.
- **\$5,000** to a family member of a NYSNA member seeking a first degree in nursing. The degree can be at any level, but must be the first degree in nursing sought by the applicant.

Recipients are chosen by the Secor Scholarship Committee.
