FACULTY:

Andrea Capron, BSN, RN, ACLS, TNCC, ENPC, NIHHS, CEN Certified

An experienced Emergency Department nurse leader with more than 20 years of frontline clinical expertise, Andrea is dedicated to advancing the education and professional development of nurses in Emergency Medical care. Her background includes comprehensive experience in emergency nursing, with a proven ability to lead in fast-paced, high-acuity environments.

She is deeply committed to fostering critical thinking, strengthening clinical competency, and preparing nurses to deliver safe, evidence-based, and compassionate emergent care. Throughout her career, she has served as a preceptor for a variety of students —cultivating the next generation of emergency care providers through mentorship and hands-on instruction. Her passion for emergency nursing education continues to drive her work in shaping capable, confident, and high-performing emergency care teams.

Note: The instructor for this program is contracted through Quality Training Solution Corporation (QTSC).

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been awarded **12.0 CHs** through the New York State Nurses Association Accredited Provider Unit.

NYSNA is accredited by the International Accreditors for Continuing Education and Training (IACET) and offers IACET CEUs for its learning events that comply with the ANSI/IACET Continuing Education and Training Standard. IACET is recognized internationally as a standard development organization and accrediting body that promotes quality of continuing education and training.

The New York State Nurses Association is authorized by IACET to offer **1.2 CEUs** for this program.

IMPORTANT:

In order to receive Contact Hours and CEUs:

- **Cameras must be turned on, and you must be present and visible at all times throughout Zoom workshops.**
- All participants are required to attend the entire workshop, complete all in-session program assignments, complete an evaluation form, complete and return a post-program SurveyMonkey® questionnaire and/or complete and return a post-program checklist, where applicable.
- You will need a personal computer and internet access to attend.

Declaration of Vested Interest: None
