New York State NURSES ASSOCIATION | E-LeaRN
Accredited Continuing Education

ONLINE PROGRAM

Home Health Nursing Standards of Practice and Certification Review

LEARNING OUTCOME:

The participant will be able to discuss current practice and the role of the nurse in home health care.

OBJECTIVES:

Upon completion of this workshop, participants will be able to:

- Identify the role and responsibilities of home health nurses.
- Discuss the relationships between home health nursing, community health nursing, and public health nursing.
- Identify strategies to deliver culturally competent care related to diverse beliefs and practices in home health nursing.
- Discuss ethical and legal principles for safe and effective home nursing care.
- Discuss best practices in health equity in the delivery of home care nursing.
- Discuss the nursing care skills required, including medication management, wound care and chronic disease management in a home setting.
- Provide information related to education of patients and families in the home setting, incorporating unique needs and challenges.
- Identify the unique needs and challenges in the care of geriatric and pediatric patients in the home setting.
- Discuss appropriate infection control measures for home care of patients and caregivers.
- Identify measures to maintain a safe home environment for patients and caregivers.
- Discuss the National Patient Safety Goals for Home Care Programs.
- Discuss the appropriate documentation needed to assure quality and improvement in home health care.

FACULTY:

AnnMarie Samar, PhD NEC, CH, BC, RN is a skilled clinician with more than 18 years as a certified Clinical Nurse Specialist in Community and Public Health, with experience in home health nursing. Dr. Samar is responsible for teaching both didactic and clinical courses in home health, community health and public health to upper-level students. She is the Former Chair and Professor of Nursing at Worcester State University, where she was instrumental in establishing and supporting programs for public/home health.

Note: The instructor for this program is contracted through Quality Training Solution Corporation (QTSC).

***NYSNA reserves the right to cancel this program if a sufficient number of participants are not registered, in which case if a fee was paid, the entire amount will be refunded. Make sure to check your email for confirmation of registration and the further steps you need to take to be prepared for the program and how to retrieve the handout materials before the start of the program.*

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been awarded **12.0 CHs** through the New York State Nurses Association Accredited Provider Unit.

NYSNA is accredited by the International Accreditors for Continuing Education and Training (IACET) and offers IACET CEUs for its learning events that comply with the ANSI/IACET Continuing Education and Training Standard. IACET is recognized internationally as a standard development organization and accrediting body that promotes quality of continuing education and training.

The New York State Nurses Association is authorized by IACET to offer **1.2 CEUs** for this program.
