

ALBANY TAKEOVER

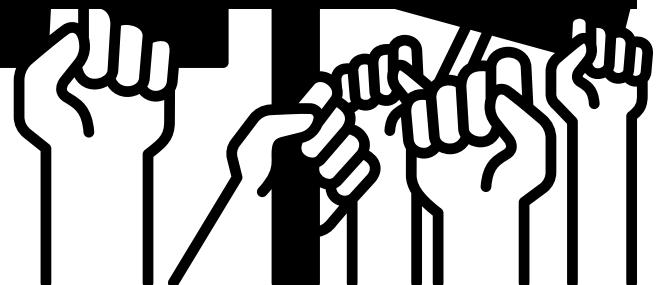

'TAX THE RICH FOR A NEW YORK WE CAN AFFORD'

Working New Yorkers are being stretched to the breaking point while billionaires get even richer. Albany must tax the rich to fund the affordability agenda New Yorkers need, deserve, and voted for.

On February 25, thousands of New Yorkers will descend on Albany to make them do it. We're taking over Albany – marching through the streets, rallying outside of the Capitol, lobbying elected officials, and making the demand for a more affordable New York impossible to New York.

- 6:00am - Get on the Bus
- 10:00am - March
- 10:30am - Rally at the Capitol
- 12:30pm - Lunch & Lobby Visits
- 3:00pm - Buses return home
